### PLACEMENT

**Reflective markers (i.e. cones) shall be used to identify the length and width of a permitted item. Conspicuously display the approved permit (below) on the item for inspection.**

The placement of all and/or large items (i.e. dumpster) shall be the responsibility of the permit holder. Please ensure the item is not located within 50'(feet) of any intersection, is not located where parking is not permitted, is not blocking access to mailboxes, sidewalks or utilities and that it does not create a visual or dimensional hazard for traffic or pedestrians.

A placement safety inspection can be requested by calling the Tualatin Police Department at 503.691.4800 or the non-emergency number at 503.629.0111. The permit may be re-issued for one additional 21 day period upon the applicant showing a need for additional time.
